www.SOSOBotCamp.com

The Nation's ONLY 3-Day Intensive Boot Camp for those Investigating, Registering, and Supervising Sex Offenders

Who Should Attend:

- Those who register sex offenders
- Probation and Parole Staff who supervise sex offenders
- Sex Crimes Detectives who investigate sex offenders

Day 1: Sex Offender Containment (Reviews New California State Law changes for 2012) Sex Offender Registration, flyering, verifying compliance, working with the public Field Supervision tools and strategies for LEA, Probation, and Parole.

Day 2: Digital Investigation, Internet Investigation, Peer to Peer Investigations
The registration compliance home check, searches, verification techniques
Using GPS technology, remote monitoring, "the cloud," social networking
"Field Search" for searching computers of offenders-included with this course.

Day 3: Planning, organizing, and deploying a multi-agency sex offender compliance operation. Includes 20 software titles and free sweep planning software.

About the Instructor: Erik McCauley has been supervising high risk sex offenders and investigating their digital devices for well over a decade. Erik is an expert in multi-agency 290 sweep planning operations and high risk sex offender supervision. He has taught over 2000 sworn officers how to use "Field Search". Erik regularly consults with decision makers on a national level in matters relating to supervising high risk sex offenders in the community. Erik has been recognized on a local, state, and federal level for his work with digital investigation and high risk sex offender supervision. Erik is the president and owner of EJM DIGITAL LLC.
